Dominion Energy CU Credit/Debit Card (last 4 digits): \_\_\_\_\_

I wish to opt out of the complimentary Account Updater solution offered by Visa® through Dominion Energy CU for my Dominion Energy CU Credit and/or Debit Card. I understand that should my Dominion Energy CU Card(s) get reissued in the future, no attempt will be made to convert any automatic payments linked to the Cards on my behalf. I further assert that I will take full responsibility for alerting merchants to avoid any potential missed/late payments.
