### TIN CERTIFICATION AND BACKUP WITHHOLDING INFORMATION

Under penalties of perjury, I certify that:

1. The number shown on this form is my correct taxpayer identification number (or I am waiting for the number to be issued), and
2. I am not subject to backup withholding because: (a) I am exempt from backup withholding, or (b) I have not been notified by the Internal Revenue Service (IRS) that I am subject to backup withholding as a result of a failure to report all interest or dividends, (c) the IRS has notified me that I am no longer subject to backup withholding, and
3. I am a U.S. citizen or other U.S. person. For federal tax purposes, you are considered a U.S. person if you are: an individual who is a U.S. citizen or U.S. resident alien; a partnership, corporation, company, or association created or organized in the United States or under the laws of the United States; an estate (other than a foreign estate); or a domestic trust (as defined in Regulations Section 301.7701-7).
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

**Certification Instructions.** Check the box for item 2 above if you have been notified by the IRS that you are currently subject to backup withholding because you have failed to report all interest and dividends on your tax return. By checking this box, this serves to strike out the language related to underreporting. Complete a Form W-8BEN if you are not a U.S. person. If a Form W-8BEN is completed, your signature does not serve to certify this section.
