## Announcing the 2019 College Scholarship Recipients

Dominion Energy Credit Union recently awarded ten \$2,000 scholarships to outstanding high school seniors. The scholarship recognizes students' dedication to academics, school activities, and community involvement. All applications received were of superior caliber, making the judging process extremely difficult.

## Saving Money on Your Summer Getaways

Summer time is an exciting time to get out into the warm weather and travel! Traveling costs can add up quickly so it's always a great idea to try to save wherever you can. Here are a few great tips you help you save on your next getaway!

- If you're traveling internationally, always check ahead of time to make sure you are aware of the exchange rates. You could even begin researching before you decide on a destination and choose one with more favorable rates to maximize your savings even more!
- Set-up deal alerts on websites like Travelocity to offer the option to help you find the best destination within your price range as options become available.
- Comparing hotel rates on various sites to see who is offering the best deal is a great idea, but it never hurts to call the hotel directly to see what deal they may give you on the phone.
- Take advantage of hotels that offer free continental breakfast or other all-inclusive options, sometimes this can help you avoid the added costs of eating out throughout the entire trip.
- Consider using a Cash Rewards or Platinum Rewards card to book your trip so that you can redeem cash or points!
