

- Please join Dominion Energy Credit Union first; once you are a member, you may open a Holiday Club at any time. Payroll deduction is for Dominion Energy employees only.
- Contribute through payroll deduction. Your first payroll deduction should begin within two pay periods.
- Additional deposits may be made at any time.
- Dividends accrue monthly and are subject to change at any time.
- Payment: Your funds will automatically be deposited into your DECU checking account if you have one; otherwise, they will be deposited into your regular savings account November 1.
- You may open a Holiday Club account or increase your payroll deduction to your Club account at any time during the calendar year. To encourage members to save, you can only reduce your payroll deduction or close your Club account between November 1 and December 15 of each year. Otherwise, a fee will apply; to view our current fees, please refer to the Account and Fee Disclosure.
- Please note: When you sign up, you are automatically enrolled for future Holiday Clubs. If you have no changes, the Club continues the same as the previous year's Holiday Club.

First-Time Club Member

I understand that any decrease in the Club payroll deduction or closure of the account will result in a handling fee if not made between November 1 and December 15 of each year. Important: You may sign up for Holiday Club or increase your payroll deduction at any time during the year.

Name _____

Account Number _____

Email Address _____
